

COMMENT FORM

Public Information Meeting

August 31, 2017

KY 329 at KY 329 Bypass Intersection Improvement

Oldham County
KYTC Item No. 5-542.00

We need your help! You can help us by completing this comment form. Oldham County Planning and Development Services, in cooperation with the Kentucky Transportation Cabinet, has developed intersection improvement alternatives for KY 329 at the KY 329 Bypass (Veterans Memorial Parkway) just south of I-71. Currently there are three alternatives under consideration that include widening to include turn lanes. Oldham County Planning and KYTC would like your comments on the intersection improvements. Please complete this form and return it to Oldham County staff here tonight, send an email or mail it (email and address on the back of this sheet). We need your comments by September 15, 2017. We appreciate your participation and value your comments! Each person should complete a separate comment form.

Name: _____

Representing (title, agency, organization, if applicable): _____

Address: _____

Phone (optional): _____ **Date:** _____

Email (optional): _____

The objective of this form is to solicit your views on the recommended alternative for this project. Each form will be read and tabulated by the project team. All comments are welcome and appreciated!

1. How did you hear about this public meeting?
