

Backyard Streams Program

The Oldham County Fiscal Court, Engineering Department in cooperation with the Oldham County Cooperative Extension Service will be hosting a Backyard Streams program at 10am on April, 27, 2019 at the Oldham County Cooperative Extension Service located at 207 Parker Drive, La Grange, KY. 40031. This program will provide county residents, property owners, and Homeowner Associations (HOAs) with information regarding how streams impact the health of the County's watersheds and how to evaluate and repair streams that run through their property or a residential sub-division's open space.
