The HSA funds are not available until you have completed your annual physical (*one physical is covered per PLAN year*) and submitted the required forms to Epic Insurance Solutions. Providers should not charge for these screenings as they are preventive and covered at 100%.

If the Provider is going to charge for completing the form then you have two options. You may download an electronic chart, if your Provider offers that service. If not, then request a print out that includes the necessary information being requested on the Vitality Check Form. This form must also include the Provider's information on the print out as well.

The 2016 contribution requirements begin on January 1 and must be met by April 30, 2016 in order to qualify for the Oldham County HSA contribution.
