PRESS RELEASE

FOR IMMEDIATE RELEASE

March 12, 2020

Oldham County Recycling Center Temporarily Closed

The Oldham County Recycling Center uses a work release inmate labor force to separate and bundle recyclables brought to the center. Due to a recommendation by the Governor's Office and Secretary of the Justice Cabinet to keep inmates inside detentions centers until the COVID-19 is contained, effectively immediately, the Recycling Center will be temporarily closed.

This is simply a precautionary measure in an effort to keep inmates from being exposed to anything that could be taken back to the detention facilities.
