**Comprehensive Plan Update:** - Brian Davis stated that the update of the Oldham County Comprehensive Plan went before the Planning Commission on May 26 and recommended adoption to the legislative bodies by a vote of 13-0. The plan will now go on to each legislative body (Oldham County Fiscal Court, Crestwood, LaGrange and Pewee Valley) for approval. This process will take place in August and September.

**Land Development Code Update Brainstorming Session:** Jim Urban explained to the SRC how now it is time to begin updating the Land Development Code, specifically the zoning ordinance. There are a number of things that need to be addressed and staff would prefer to get some feedback from the public before drafting standards for certain subjects. These subjects include but are not limited to signs, accessory structures, home occupations/conditional use permits, and accessory dwelling units. KIDPA has offered to assist with the development and distribution of surveys designed to get information from Oldham County residents. The SRC asked staff to begin working on draft language for such surveys and bring back for review at the July meeting.

The Study Review Committee will plan to meet again on July 25, 2013 at 5:00 p.m.

**The meeting was adjourned at 5:50 p.m.**
